

## FINANCE PARK

*Building Financial Skills for Life*

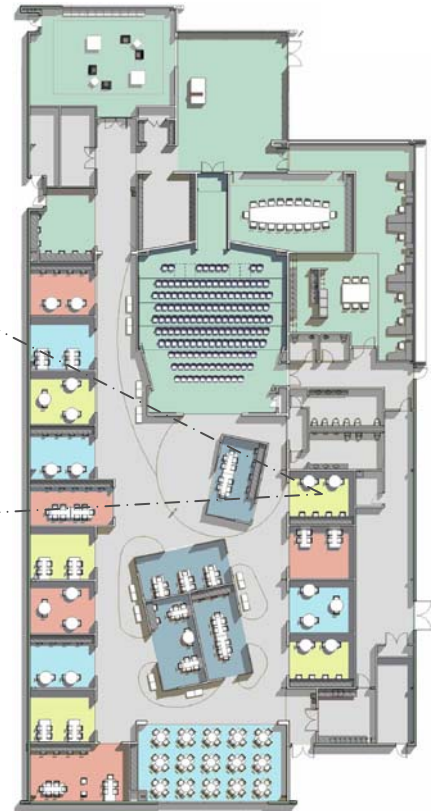

# Junior Achievement Finance Park Annual Sponsorship Opportunity

## Storefront: Water/Sewer/Trash

Finance Park will help students learn how to make responsible decisions that will direct them to become financially fit for life. Budgeting for necessary services is an important part of the adult simulation.

Put your company's name in front of over 14,000 middle school students each year, 1,400 volunteers and 450 teachers. Junior Achievement Finance Park will also be used for School Board functions, as well as school-related community functions.

### Make an Impression!

Sponsorship of the Water/Sewer/Trash storefront will position your company as a leading supporter of the youth of our community.

Two Price Options: \$25,000 per year for three years/\$22,500 per year for five years
